Dear Andre:

Enclosed is a copy of the counter prints as furnished  I am
sorry for the delay but I was under the assumption they had been sent
directly to you  On the microscope, the only print I have re-
ceived thus far is the mounting bracket print of which I previously
forwarded a copy to you. I will request a print of the microscope and
forward it to you as soon as possible. If there is any further questions
please contact me.
